We would have to have value and not an any three handsome lines of $'s Summer Suits haven't will better. They are rare also goods, fit and style, are made and trimmed in a substantial manner, and our summer last haven't moved as we expected them to. WELL, THEY MUST GO. Things have went to hept moving, and this is the way we do it:

Last piece of one of the nicer lines. A new line. How we can sell it at any of

$10.00.

Last piece of another one of these "close sellers." Known in the regular price, and they're worth it. We can but sell them as we did yesterday, at this time of Suits goes today at

$15.00.

Last piece of "the undisputed out of sight." They are worth $25.00, have been $20.00 and recently, good rather than we for $20.00, and this doesn't go. We can do this, and we don't expect to continue this again.

$18.00.

Legend Suits have plenty of bargains in every Dept. Now about Hammocks, Hammock Shirts, Belts, Bicycle Pants, and Trousers. Write if cannot find a well fitting Garment of all kinds? We're a sure fire.
